Dept. Begins Spring Weed Abatement

PLACENTIA — Fire Chief Jim Sims announced that the fire prevention bureau has begun the spring weed abatement program. Members of the fire prevention bureau will survey the entire city to determine what parcels of ground have excessive accumulations of weeds, trash, litter and debris.

This week courtesy letters are being sent to property owners advising them of the need to remove such accumulations from their property. The letter includes the approximate cost to the property owner if it is necessary for the city contractor to clean the property.

During the week of April 12, those parcels still not cleaned will be posted and pictures taken to verify the posting.

During the week of April 26, the city contractor will begin abatement on those parcels still not cleaned by the property owners.

Man Injured In Accident

PLACENTIA — Last Thursday morning, neighbors in the 1500 block of North Bradford Avenue were awakened with a start, as a pickup truck careened off the wood barricade, crashed into a parked car, destroyed a slender parkway tree and came to rest in a plush evergreen tree.

The driver, Bob Davis, 54, of Anaheim was taken to Orange County Medical Center for treatment of minor injuries, and was booked on a charge of driving while intoxicated.

Faulty Check Valve Cause Of Oil Leak

YORBA LINDA — A faulty check valve was blamed for the thirty foot geyser of oil which erupted at a Shell Oil Company well north of Imperial Highway near Bastanchury last Wednesday morning, about five o'clock. Before the flow was cut off, about 17,000 gallons of crude oil spilled over the area, through an orange grove on Bastanchury, and down Valley View Avenue to Imperial Highway, where it continued to flow through a drainage ditch for two blocks south of the Highway.

Shell Oil Company immediately contracted for a clean up crew, and tons of sand were moved into the area and cleanup was completed by Thursday night. A small housing tract was isolated by the goosy mess for a few hours, and Bastanchury road was temporarily closed but fortunately there were no injuries.

Fire Captain H. R. Edwards watches as Miss Placentia Linda McClintock pounds a weed abatement sign into the ground. The signs are being posted throughout the city to warn land owners of the upcoming weed abatement program.

Placentia Planners Approve Dance Studio And Fence

PLACENTIA — The Planning Commission approved three items and continued two during its regular meeting at the Backs Community Building last Tuesday evening.

A use permit requested by Bradford Village, Inc. to allow the establishment of a folk dance academy or studio in the center on Bradford Avenue north of Chapman Avenue was approved unanimously.

Commissioners also approved a request to build a fence around an industrial site at the southwest corner of Lakeview and Mariposa in Atwood. The permit

was allowed subject to the provision that it will be torn down if subsequent development requires a different kind of fence.

A tentative tract map for 35 lots on 9.04 acres at the northeast corner of Buena Vista and Van Buren submitted by Brattain Construction Co., was continued until April 13.

A complete revision of the city subdivision ordinance was continued to a special meeting to be held in the City Hall conference room April 5. The ordinance is designed to bring city practices into conformance with the ordinance.

Placentia Chosen As National Model City

PLACENTIA — This city has been chosen to be a national model for suburbia by the National Administration for Youth Development and Delinquency Prevention. It was announced when representatives of the City of Placentia, County Supervisor William Phillips, members of the news media, representatives of the County Community Services project, Smile, met at noon luncheon at Rembrandts Monday.

Placentia's "Smile" program will serve as one portion of this model. The city of Fountain Valley will share in the program. It was pointed out that Placentia and Fountain Valley are two types of basic cities which exist in Orange County, one with a long term identity

and one recently formed.

It is estimated that \$200,000 will be available through the Federal grant for what is termed an "action" program. According to Supervisor Phillips, emphasis will remain with local communities, their citizens and agencies developing programs in accordance with their needs and priorities.

Jerry Deming is the latest addition to the Community Services project. He has been with the County Welfare Department since 1966 working in most of the aid programs and Child Protection services.

The success of both the "Smile" and the "Suburbia" programs will depend on the interest and cooperation of the citizens and the various agencies, it was stated at the meeting.

Joint Powers Agreement Discussed

PLACENTIA — The possibility of a joint powers agreement between the city and the Placentia Library District involving the construction of a new library and civic center was brought up at a joint meeting between the two bodies held Monday night.

The possibility of moving the library site to the new civic center site at Chapman and Kraemer was also discussed.

Both groups will discuss the ideas at their regular meetings next month and then hold another joint meeting at 8 p.m. in the Backs Community Building April 12 for further consideration.

Before the joint meeting the City Council approved the 404 acre annexation in the Rose Drive area and instructed staff to send it to the Local Agency Formation Commission for consideration. The annexation would incorporate all county territory between Yorba Linda and Placentia south of Palm Drive.

A sphere of influence map was continued until the regular meeting of April 6.

Regarding That Old Bugaboo: Bursitis

Particularly during this period of the year, that old bugaboo bursitis rears its ugly head to cause pain and suffering.

Although many people, particularly of middle age or past, suffer an attack of bursitis, few are aware of exactly what it is. "Because it can occur in different areas of the

Dr. Donald Brinkley in the cause of the Chiropractic Centers.

Bursitis most frequently flares up in the shoulder, knee or elbow areas — which accounts for such terms as "housemaid's knee," "tennis elbow," or "shoulder strain."

According to Dr. Brinkley, wherever muscles, tendons, or joints need protection from friction or shocks, there are flat sacs so tiny they may not even show up on X-ray. Each tiny sac or bursa contains sufficient fluid to lubricate the area to prevent friction when pressure is applied.

"In other words," says Dr. Brinkley, "the bursa can be described as nature's shock absorbers. They cushion the areas vulnerable to stress."

If a bursa becomes irritated due to excessive stress, inflammation develops. "And this is what we call bursitis."

Dr. Brinkley adds that when bursitis reaches this stage, pain is felt as friction develops between the bursa walls and tendons and muscles, which are no longer cushioned by fluid.

"Failure to seek proper treatment at this time to reduce the inflammation and start the process of healing, may lead to

eventual overstretching and consequent rupture of the walls of the bursa," notes Dr. Brinkley.

Bursitis can be caused in many ways. "An injury or shock can start an irritation," says Dr. Brinkley. "So can a sprain, strain, jolt or continual stress. Or it can be irritated by unusual exercise or effort, or by overuse."

What are the symptoms of bursitis? Dr. Brinkley says that usually even limited movement in an affected part is painful. There may be swelling and tenderness. At first the pain may be a gnawing ache, eventually blossoming into sharp and excruciating agony. Such simple acts as combing the hair, shaving, or putting on one's coat becomes difficult if a shoulder bursa is involved. Sleeping is a painful process as it is hard to find a comfortable position.

As far as treatment is concerned, Dr. Brinkley warns that the inflammation must be reduced quickly and effectively.

"And the sooner the better, after the first symptoms are noticed. If care is obtained when pain first develops there's a good chance this painful condition can be nipped in the bud."

Whatever the case, proper treatment is the best precautionary measure to reduce the possibility of the case becoming chronic and resulting in permanent disability.

Further information regarding this problem can be had by writing the News-Times, P.O. Box 10, 130 N. Bradford Ave., Placentia, Calif. 92670.

Darla Davisson, Rudy Espinoza Are Married

Darla Davisson, daughter of Mr. and Mrs. Dean C. Davisson of 1702 Virginia Place, Placentia, became the bride of Rudy Espinoza March 26 in a ceremony at her home.

The bride wore a light blue mini-dress with long sleeves and covered buttons used as an accent. Her veil was blue tulle and net surrounding a blue bow. White carnations and baby's breath made up the bouquet.

Maid of Honor, Jeannene Cousert of Yorba Linda, was attired in a azure blue mini-dress with long sleeves and a jeweled neck-line as was bridesmaid, Diann Davisson, twin sister of the bride. Both carried bouquets of blue and white carnations.

Gary Massie of Anaheim served as best man with the groom's brother Eddie Espinoza acting as usher.

The bride is a graduate of El Camino high school and

the John Robert Powers modeling school.

The groom is the son of Mr. and Mrs. John Espinoza of 1740 Concerto, Yorba Linda, and is currently employed at the Four Winds Camper Manufacturing Company in Santa Ana.

The couple will honeymoon at the Disneyland Hotel prior to taking residence in Santa Ana.

Mrs. Rudy Espinoza

Mrs. Simpson Conducting Seminars

Mrs. Winifred Simpson has made the standard "travel series" come alive in her "Fine Arts Seminars" in which she presents slides, music, poetry, and literature from other countries.

And no wonder. Mrs. Simpson's background includes a four-year stay in Paris, trips to Europe, and teaching experience.

She now teaches piano, and conducts these seminars once a month from September until April for her students, parents, and her friends.

Although slides compose part of the seminars, Mrs. Simpson makes use of "things that mean more than pictures," by reading the literature of the country, and with musical selections played by her piano students.

Before moving to

Mrs. Laurel Simpson

Placentia with her husband, Laurel, the musician/teacher taught fine arts and string quartet ensemble at La Verne College. She presented seminars at the college and reflects, "My seminars were so crowded that some students would stand for the whole two hours."

She is originally from Wyoming, and went to Paris on a one-year scholarship, although she stayed in Paris for four years. Mrs. Simpson was trained as a violinist at the Paris Conservatory, and studied with the teacher of modern-day composer Aaron Copland and George Gershwin; Nadia Boulanger. Mrs. Simpson comments, "She's the greatest teacher alive, and still going strong at 85."

While in Paris the teacher played in the Colonne Symphony. "After my days in Paris I developed my appreciation for the fine arts," she declares. This is especially noticeable in her

Mrs. Elsa Kubach, sister

of Mr. Zimmerman, and his nephew Robert Breckenridge were co-hosts of the affair held in the social hall of the church. Gold and white was used in the decor. A number of the guests "The Zimms" had not seen for many years.

Mr. and Mrs. Zimmerman pronounced their wedding vows in Savannah, Georgia, where they were born.

The Zimmermans have resided in Yorba Linda since 1930, and have been active in civic and social affairs. They are now retired and live on Garden Place, Yorba Linda. For many years they operated a dress and gift shop on Main street in Yorba Linda. Mrs. Kubach now owns and operates the dress shop formerly owned by her brother.

Boys Club Holds Dinner Dance

A free-swinging give and take comedy dual between Vick Knight of Placentia and Bob Hennings of Anaheim will be the featured entertainment at the Placentia Boys' Club annual spring Dinner-Dance to be held Saturday evening,

April 3 at the Western Hills Country Club.

"Those who have heard Mr. Knight and Mr. Hennings speak know that they are very entertaining," said Dr. Norman Wiley, President of the Board of Directors of the Boys' Club.

"This is the first time they have appeared together and anything can and likely will happen. For those who enjoy unusual firsts in entertainment, this program is a must."

Chairman of the Arrangements Committee is Steve Muro. Mr. Muro said that the dinner is the finest prime rib of beef banquet dinner available and that music for dancing after the program will be provided by the West Atwood Privy Council.

The cost of the dinner is \$10 per plate, which includes a donation to the Placentia Boys' Club to help finance the recently expanded services the Placentia Boys' Club is providing to the community.

Executive Director John Badger said that never before has the Boys' Club offered so much dinner and entertainment.

Tickets may be obtained by calling 528-8140 or writing to the Boys' Club of Placentia, P. O. Box 112, Placentia.

Titans Win Seventh Place In Collegiate Baseball

Cal State Fullerton's baseball team managed to win only one game in the week-long Anaheim Collegiate Baseball tournament held last week in Anaheim's La Palma Park.

The victory came over California 8-6 and was good enough for a seventh place finish.

UCLA took first place in the tournament defeating defending champion Chapman College 9-6 in the championship game.

In the Titan win Kent Rozelle powered a home run each in the seventh and eighth inning. The Titans were behind 4-0

but scored four in the seventh to tie it and four in the eighth to take the lead and win.

In the opening day of action CSF was belted by Eastern Michigan 14-8. The Titans led in the game after two innings 7-5 behind Kevin McConnell's three-run homer. The pitching collapsed for

Fullerton giving up three runs in the third and allowing three more in the fifth to put the game out of reach.

The second game for Cal State was no different as they came up on the short end of the score 7-2 to U.C. Berkeley.

Against Champion UCLA the Titans lost 4-2 as the Bruin's pitcher, Greg Zail went all the way in getting the win.

Southern Illinois scored its third win in the tourney by beating CSF 9-3 in the fourth day of action.

U.C. Irvine bombed the Titans 11-3 to send Fullerton into the consolation match. Ex-Valencia, Ace Elloff, a Freshman at Cal State made his debut a successful one. Starting at first base Elloff banged out a triple in 3 at bats.

Today CSF hosts La Verne College in a 2:30 game. Friday at 2:30 the Titans get back into CCAA play meeting Cal Poly Pomona at Pomona.

Valencia Baseball Team Defeats El Dorado 3-1

Behind the pitching of Dave Chipman Valencia's varsity baseball team has been able to win its last two games in a row.

Valencia's victories were over Sonora High, 5-2, and El Dorado, 3-1.

Valencia has the same number of wins as Sonora and Laguna Beach but has suffered two defeats to put them one game back of first place. Laguna Beach has recorded two wins and a pair of ties and Sonora has two wins, suffered a loss and also tied once to be 1/2 game in front of the upcoming Tigers.

Sonora looked like champions in the first inning moving out in front 2-0 with one out and a pair of Raiders on the basepaths but Chipman bore down and silenced the Raiders from scoring anymore in the game, leaving it up to his mates to get the runs.

The Tiger hitters tied it up and moved ahead with 3 runs in the final inning.

Just like in basketball the Tiger baseballers made sure El Dorado knew who was number one in Placentia by beating them 3-1. The second inning proved enough for Valencia as they got to Phil Hendershot for two runs. John Mikezewski

hit a 2 run double driving in Ernie Gomez and Dane Illertson.

Friday afternoon at 3:15 Valencia's varsity baseball team begins second round play by meeting Laguna Beach at Valencia.

The Bengals then take a vacation break before returning back to action Tuesday, April 13, against Saddleback.

Swimmers Defeat El Dorado

Both Placentia teams entered in to last Wednesday's meet undefeated but the El Dorado Hawks went home with a 53-42 mar on their record. Heroes for the Tiger crew were Dennis Douglass, Bob Snyder, Dave Turnquist, and Rick Pickrell who won the last race, the freestyle relay, in 3:33.9 to secure the victory for Valencia.

Outstanding performances came from Don Gresham with his first in the individual medley race, Rick Pickrell with his first in the 50, and John Quintana with his superior diving score. Other firsts came in the 100 from Pickrell, in the backstroke from Gresham, and in the breaststroke from Dave Duffie.

Valencia meets Brea today for the last Orange League meet of the season. The Tigers remained undefeated with their win over cross-town rival El Dorado and have only Brea to defeat to have a perfect 5-0 record.

Coach Jim Lock commented, "What can I say but we were great and the team proved who was best. The boys gave all and that's why we won."

Troy Baseball Team Loses To La Habra

The Troy Baseball team suffered its first defeat Friday at the hands of La Habra 4-1 on the Warrior's field. Former Highlander J. V. member Brent Plent went the distance, stopping the Warriors on five hits.

The only bright spot in Friday's loss was a towering homer by senior Lance Copeland. Copeland also banged out a double to lead the Warrior's scanty hitting.

On Tuesday, behind the excellent pitching of senior John Morris, Troy defeated

Troy Tennis Team Wins Two Matches

Troy netmen started out the 1971 Freeway League season in grand fashion with two wins, a 25 1/2 to 1 1/2 swamping of Lowell and a 21-7 victory over La Habra.

In Tuesday's match with Lowell, Warrior singles players Glenn Nakazawa, Gary Peaslee, and Earl Lund came away with perfect records in singles, taking all 16 points.

On Friday singles again proved to be the strongest as inconsistent doubles play allowed 4 1/2 points, the most given up this season.

The two wins put Troy's overall record at 7-0. This week, the Warriors will travel to Kennedy on Tuesday to try to avenge two narrow losses to the Irish last year. On Friday Troy hosts Savanna.

Cal State Tracksters In CCAA

Saturday afternoon, April 3, the Cal State Fullerton Track and Field team will begin CCAA action at San Fernando Valley State. The squad will compete in a tri-meet with both San Fernando Valley State and Cal Poly, San Luis Obispo.

Last week the team split up, with a group going to the Easter Relays in Santa Barbara and the Long Beach Relays, hosted by Cal State Long Beach.

Some of the best Titan Track and Field marks this year include, Eric Kaufman's, 9.8 in the 100 yard dash, Curt Thompson, 4:11 in the mile and Mark Covert, 28:06.6 in the 6 mile and 13:50.5 in the 3 mile.

Ron Czarnecki, has thrown the javelin 145 feet. Steve La Fond has heaved the shot put 53' 2 1/2 inches and Geri Jones has long jumped 23' 2 1/4".

Lowell 4-1. The Pats committed eight errors which led to 3 of the Warrior's runs.

This week, Troy hosts Kennedy and then travels to Savanna on Friday.

Cal State Football Is Promising

Coach Dick Coury seemed very impressed with his CSF football teams play in a 1 hour and 20 minute scrimmage held last week.

Before 300 fans it seemed there are going to be some definite bright spots on the offense and defensive teams next year. Linebackers James (Buster) La Coste and John Montoya seemed to be in on every

play. Montoya picked off a pass and knocked down several others. Dallas Moon, head defensive coach, commented on La Coste as being "one of the toughest football players I have ever coached."

Offensively the Titan backfield should be much faster and deeper than last year. Joe Baca, from Cerritos J.C., broke for one touchdown and several long gains. The outside of the backfield is Robin Denton from Compton J.C. with All State honors last year performed in the scrimmage stronger than at any point of the spring drills.

Quarterback Mike Ernst looked sharp finding his receivers Tyrone Perry and Stan Chapman more than a few times. "Both Perry and Chapman seemed to carry out their assignments very well and they made efforts to get the ball when Mike threw to them," stated offensive coach Joe O'Hara.

Missed in the scrimmage due to injuries were Terry McClean (fullback), recent knee surgery and Chris Jaramillo, slightly dislocated shoulder.

Valencia GAA Wins Track Meet

The Valencia High School GAA track team won first place last Saturday at the Santa Ana Valley High School Invitational Meet of twelve schools participating.

Valencia won with 246 1/2 points. Orange followed with 169 1/2, and Valley had 151 1/2.

Receiving first place medals from Valencia were Sue Barro in the 50 yard hurdles, Stephanie Horvath in the 100 yard dash, and 50 yard dash. Patty Anderson in the long jump and Karen Conroy in the 440 yard run.

Sue Barro's winning time of 7.6 in the hurdles broke the school record.

The team is coached this year by Miss Joan Stewart. Her assistant is Mrs. Diane Warner.

ED Tracksters Face Raiders Tomorrow

Traveling to Sonora tomorrow, El Dorado's track team will face its first major test enroute to a league championship.

Sonora's Raiders will be trying to seek revenge on the Hawks and appears to be the favorite in tomorrow's meet.

The Raiders have Bob Blum who has done a 9.9 100 and a very fast 220. Mark Deleany has high jumped 6-5 $\frac{1}{2}$ and the top Sonora discus thrower has the best toss in the Orange League with a throw of 147 feet.

Last Thursday, the Varsity won the first league meet against Saddleback, 73-54. El Dorado received first in the long jump. Torgerson; high jump. Madau; discus. Johns; shot put. Davenport; 120 H.H. Vitali; 180 L.H. Torgerson; 880. Jones; 440. Kempton; two mile Sato; and the mile relay. As expected, star, Devon Trahan dominated the sprints, winning the 100, 220, anchoring the 440 relay, and placing second in the high jump.

Junior Tony Madau high jumped 6-5 and is Deleany's main challenger for the OL high jump title. This was Madau's first dual meet of the season. Sophomore Chris Jones came back from a leg injury to win the 880 in 2:07.5. Jones had missed four meets and was out two weeks.

Losing 66-37 and 69-25, the Bees and Cees found the

Roadrunners tougher than the Varsity. In Cees, Steve Christanson won the sprints, and Jeff Brown won the discus with a toss of 112 feet. Mike Roy won the Bee high jump at 5-4.

VHS Tennis Team Loses To El Dorado

Tiger netmen look with eager anticipation toward Friday's match against Laguna Beach in the league's second round.

Valencia dropped its Orange League opener to Laguna, 23-5, with two of their top players out sick. Coach Don Brittingham is sure that his Tigers will give the Artists a tough match with all his players present.

Brittingham's crew dropped two last week. After a 22 $\frac{1}{2}$ -5 $\frac{1}{2}$ beating by Sonora, the Bengals were edged out 15 $\frac{1}{2}$ -12 $\frac{1}{2}$ by cross-town rival El Dorado. The Hawk's David Sherbeck, a sophomore, kept his personal win streak going by defeating four Valencia opponents. Sherbeck won matches over Mike Gadberry, Doug Clark, Wayne Getty, and Mike Edge. Highlights in the Tiger cause came from Edge in his win over El Dorado's Wallestrom, 6-0, and Kowalski, 6-2.

El Dorado To Host The Orange League Swim Meet

Finishing league this week, El Dorado will host the Orange League swimming finals.

Yesterday the Hawks met Sonora in the final dual meet of the season and today begins league prelims. Thursday will be diving prelims and Friday will mark league finals.

Saturday, El Dorado entered the Orange County Swimming Championships with 20 schools. With only eight Hawk swimmers (the rest still sick) El Dorado had a tough time against the larger schools.

However, two weeks ago, El Dorado outplaced second ranked Redlands to win the Sweepstakes Trophy at the

ED Golfers Break Loss Streak At 5

Winning their first match, El Dorado's golfers are looking forward to better things.

El Dorado had lost five in a row including two league matches before walloping lowly Laguna Beach, 427-399 (low score wins). Phil Offenhouser led the attack with a 72 for 18 holes.

Brea handed the Varsity their first league loss with a 12 stroke advantage. Steve Huston had a 66 for 14 holes which was tops for El Dorado. Then, at the Alta Vista Country Club, Valencia edged the Hawks by only eight strokes.

Upland Invitational.

The Hawks won Cees and were second in Bees. Senior Larry Reed broke the school Bee record for the 50 yard freestyle with a 23.2 to win. Steve Zerkie won the backstroke in 1:03.4 and Rick Miller had his best time in the breaststroke. Also taking first was the Bee Medley Relay.

In Cees, Dan Kenney turned on his best ever 50 with a 23.9 to lead a Cee replay to a first and a meet record. Jim Louderbeck took first in the 400 (meet record) and 200.

Mooers' Vault Highlights Tracksters League Opener

Valencia spikers will be seeking their second victory of the season tomorrow when the Tigers host Saddleback at 3:15.

Senior Ron Mooers' 14 $\frac{1}{2}$ foot vault highlighted a 112-15 massacre of Laguna Beach last week in the Orange League opener. Mooers is now the number one pole vaulter in Orange League competition. In 1969, Gordy Mooers broke all school and county records with a 14'4" vault and went on to take third in state-wide competition. Ron Mooers has but and inch and a half to meet his brother's record.

Valencia's depth caused the 97 point difference. Firsts came from Mark Von

ED Baseball Squad Record Falls To 1-3

Dropping two games this week, the EDHS baseball team has a 1-3 league record.

With the end of the first round next week, the Hawks must put everything together if they want to win a league championship.

Brea visited El Dorado on Tuesday and had a field day in the first inning scoring six runs. Losing pitcher Phil Hendershot unbelievably didn't give up a hit out of the infield, but gave up six runs. Hendershot barely missed the corners of the plate and walked six men. Senior

Brad Hoyt came in relief and pitched six innings of scoreless ball. Coming back, the Hawks couldn't score enough to take the Wildcats, and lost 6-3.

On Friday, Hendershot showed what he could do allowing only three runs and six hits to Valencia, striking out ten men. Allen Perry and Dave Chipman gave the Hawks only one run with five hits.

Valencia prevailed 3-1 in a well fought game in which the Hawks started to rally too late.

El Dorado will face Laguna Beach on Tuesday in a must game and will be going with Senior hurler Bob DeWeese. So far first baseman, Red Ullah is leading the team with a .555 batting average.

ED Tennis Team Faces Laguna Beach, Saddleback

El Dorado's tennis team meets first place Laguna and last place Saddleback this week.

According to Coach Bill Clark, Laguna Beach has a fair doubles team and a good singles player. Friday, the Artists met Sonora and the winner will be in first place alone.

Missing one Varsity player, the Hawks still

DeWeese Named To All-CIF

El Dorado's senior forward, Bob DeWeese has been named to the second team Double A. All-CIF.

DeWeese, most valuable at EDHS, led the Hawks with a 22.4 scoring average in over 20 games. His average also placed him in the top ten Orange County scorers.

Sonora's Dave Myers was named Player of the Year and teammate Tim Horton was also named to the first team CIF.

Valencians Receive Awards, Scholarships

Three Valencia students have recently received recognition and honors for creativity, scholastic ability and speech.

Terry Hull, a former Valencia debator, took first place in the Oklahoma state speech contest in the original oratory category. His win followed six rounds

of debate and various levels of previous competition. Terry will now return to California for the national competition at Stanford university. He is presently attending Enid high school in Oklahoma after an active three years in Valencia's speech program under John DeNiké.

Another Valencian, Joan Huson, has recently received a \$900 scholarship to Chapman College from the Women's Campus Club.

Joan was honored earlier in the year by becoming Placentia's Junior Miss, enabling her to compete in the state competition where

she took first place in the creative and performing arts category with her arts and crafts display and poetic narration.

Steve Bowden, a junior, was recently accepted for a special summer program at the University of Southern California.

Military Tax Benefits Discussed

(This is the eighth article in a series on ways you can save on your Federal income tax this year. The articles are written by Henry Block, president of H & R Block, Inc.)

In April 1965, Vietnam and adjacent waters were declared a "combat zone" for income tax purposes. This provides that any enlisted member of the armed forces on active duty in Vietnam may have his pay excluded from Federal income taxes. Commissioned officers may exclude up to \$500 per month. The exemption applies for each month, or part of a month, in which the serviceman was in the combat zone, and one day's service is enough to qualify him for the entire month. This includes hospital time as a result of wounds, disease or injury incurred within the combat zone.

In general, servicemen pay taxes on income they receive from their active duty pay, any lump sum payments when discharged or released to inactive duty, or as members of the armed forces academies, R.O.T.C., or reserve units. They also owe Federal taxes on special pay for extra hazardous duty outside a combat zone, military retirement pay and all other miscellaneous sources of income.

FRINGE BENEFITS

The fact that all items listed above are taxable to the member of the armed forces can be offset, to a great extent, by the fringe benefits available to present and past military personnel.

Subsistence allowances and the value of lodging provided members of the armed forces, as well as those in the Coast Guard and Geodetic Survey and the Public Health Service, are tax exempt. A commissioned officer does not have to include in his taxable income any temporary lodging allowance he gets in addition to his basic quarters and subsistence allowances while he is awaiting assignment outside the continental United States.

adaptable to general use. An exception would be the cost and maintaining of fatigue uniforms by servicemen on active duty where local military regulations forbid their off-duty wear. If the uniform purchase is deductible, then the cost of cleaning and maintaining it is also deductible.

Reservists who buy their own uniforms are not repaid for them are allowed to deduct this cost, as well as the cost of laundry or cleaning of these uniforms. The travel expenses of a reservist to and from duty can be deducted if he is not reimbursed for them.

DEDUCTIONS OF VETERANS

Veterans have other special tax benefits. Pensions or similar payments received for personal injury or sickness resulting from active duty in the armed forces of any country are not taxable.

A disabled veteran can elect to have his disability payments figured on his length of service rather than the percentage of his disability. If he does this,

Fellowship Will Meet Tomorrow

Groups of the Women's Fellowship, Morningside Presbyterian Church, will meet tomorrow morning at 9:30 a.m.

A study group will gather at the home of Mrs. Charles Renck, 1319 E. Union, Fullerton, where Mrs. Robert Knapp will tell of "Groups for Strugglers" a chapter from "The Taste of New Wine," by Keith Miller. Mrs. Bert Black, circle chairman, will conduct the meeting.

The home of Mrs. Dale Goss, 2630 E. Balfour, Fullerton, will be the setting of a sewing group where where members are making layettes for the Church World Service, crib quilts, lap robes and dressing dolls.

Annual Sedar To Be Held At Local Inn

The Temple Beth Tikvah will have its annual community Sedar at the Holiday Inn, 1500 S. Raymond, Fullerton, on April 10 at 6 p.m.

The event to celebrate Passover is open to the public. Reservations may be made with Mrs. Alan Holley, 529-4042 or at the Temple office, 871-3535.

his disability pay will not be taxable to the extent that it does not exceed the amount he would get under the percentage of disability method.

Any excess may qualify as "sick pay" and could be excluded until the veteran reaches normal retirement age. At such time as the normal retirement age is reached those amounts which were previously excluded as sick pay would be taxed in the same manner as an ordinary retirement pension.

Dividends from government service contracts, National Service Life Insurance, converted War Risk Insurance, as well as State veteran's bonuses and tuition and subsistence allowances under the G.I. Bill are tax-free to veterans.

Mileage and per diem allowances for official travel can be excluded from a serviceman's taxable income if they do not exceed the actual costs. Mess bills afloat are no longer deductible by naval officers if the ship is their permanent duty station. However, if they are assigned to temporary duty on a ship away from their home port, then mess bills could be deductible.

A serviceman can deduct his costs of insignia, cap devices, chin straps, and similar items for his uniform. However, he cannot deduct the costs of any regulation uniforms he buys if these are available to him as a government issue. Normally military personnel cannot deduct the costs of their uniforms proper since they are
